OUR VENTURES

Our promise is a quality-driven service, and our aim is to ensure affordable access to healthcare services.

HOSPITAL

We are running Hayath Medicare Hospital in Kuttippuram at 16000 squarefeet in area. We have 29 bed capacity, 18 Departments and also 30+ Speciality Doctors and also more than 10+ Speciality services are there.

MULTI-SPECIALITY CLINICS

Multi Speciality Clinics is mainly focused in International Quality treatment in affordable prices in different localities. It includes 20 bed capacity casualty and also laboratories , hyper pharmacy and ultra sonic X-Ray units. We are mainly focused in Homecare Services also.

HYPER PHARMACY

The Hospital has a well-stocked fully computerized pharmacy offering round the clock service. And also we have Home Collection Services. In addition to selling merchandise, a lot of pharmacies also provide health care services as an additional revenue stream.

LABORATORY

The first Nephelometry Facilities in fully computerized barcoded laboratory. We are following external Quality Assessment, Scheme of Bio-rad (USA) Multi Level Cross - checking system, Well experienced hands behind all tests.

SCANNING CENTRE

Scanning Centre mainly used in Ultrasonic Scanning Machine (we are using most trusted brand - Samsung HS50). An ultrasound scan is used to examine internal body structures. Ultrasound imaging sends out (emits) high-frequency sound waves, directed at the tissue being examined, and recording the reflected sound or echoes to create an image. An ultrasound scan is generally non-invasive.

DIALYSIS CENTRE

We provide you with the best cure for kidney diseases with advanced diagnostics, comprehensive care, and the best nephrology and dialysis treatments. Our team of specialists at Hayath Health Care provides you with world-class dialysis facilities. We also make you feel comfortable and safe with strict adherence to medical protocol and hospital best practices.
